

PERMISSION TO PUBLISH

Dear Parent / Guardian,

Your child has been invited to participate in The Run Beyond Project - a program which uses running to develop capabilities around goal-setting, commitment and resilience. Your school will provide you with a permission note containing further information about the program's training times and logistics.

This note is to obtain consent for The Run Beyond Project to publish photos, videos and compositions of your child / ward, taken during Run Beyond training sessions, races and other associated activities.

The Run Beyond Project uses a variety of social and traditional media channels (including, but not limited to, local newspapers, Facebook, Instagram, YouTube and websites) to celebrate student achievements, raise awareness and to acknowledge and promote the supporters who make this project possible.

Photos and videos taken during The Run Beyond Project's activities are only published with the express consent of parents / caregivers. The Run Beyond Project only publishes material on official Run Beyond project media, however, these sites are accessible by third parties. This includes people viewing material over the internet and potentially sharing it across third party media channels.

Signing the form below constitutes agreement to the following:

1. The Run Beyond Project representatives, including teachers and volunteers, while acting in an official capacity, are able to record and publish photographs, videos, and other recordings of your child's participation in The Run Beyond Project and associated activities.
2. Your child's photograph/video/work will not be used for any purpose other than for general promotion of activities in The Run Beyond Project.
3. While every effort will be made to protect the identity of your child, The Run Beyond Project cannot guarantee that your child will not be able to be identified from the photograph/video/work.
4. The Run Beyond Project will not publish any inappropriate, offensive or sensitive personal material. If at any stage you feel that media created containing or referring to your child / ward is inappropriate, you may request that the material be removed. The Run Beyond Project will comply with any such requests by removing the material from all official channels as soon as possible.

Consent Form for Publication of Student Photographs, Videos and Compositions

I agree to the publication of my child's / ward/s photographs/videos/compositions as outlined above. I will notify The Run Beyond Project if I decide to withdraw this consent.
